6. The full version of the Official Rules will also be posted on the official Rivers Casino & Resort Schenectady website at <https://riverscasinoandresort.com/picknwin>.
7. **How to Select:**
 - a. Upon each guests' first interaction with the Pro League Pick N' Win promotion on Rivers Casino & Resort Schenectady's Promotional Kiosks, they will be prompted to read and accept promotional rules. Guests must confirm their comprehension of the rules by entering their pin number followed by clicking "Accept". This prompt will only be available to guests their first time participating in the promotion.
 - Guests are responsible for confirming via their card pin number that they've read and acknowledged the rules of the Pro League Pick N' Win promotion on the kiosk.
 - b. Guests are responsible for assuring that they swipe their Rush Rewards card at a Promotional Kiosk and for picking the teams that they believe will win that week's Sunday and Monday NFL games, within the selection period.
 - c. Participants can select their picks for the week via one (1) of three (3) options:
 - Manual – Picks are determined and selected by the participant.
 - Quick Pick – Picks will be pre-determined and selected at random by the Promotional Kiosk.
 - Home Picks – Picks will automatically be determined as all the "home" stadium football teams for the week.
 - d. Participants will then select a score (overall combined) for the Monday night primetime game, which will act as a tiebreaker if multiple guests pick the same number of winning teams.
 - e. Upon finalizing their weekly selections, participants will receive their selections via a kiosk voucher, which must be forfeited to redeem any prizes, if they are one of the week's two hundred (200) winners.
 - Once a participant's voucher is printed, selections are locked in and participants will not be allowed to change their selections or have a voucher re-printed.
8. **Tiebreakers:**
 - a. If any guests should tie, the total (overall combined) score for the Monday night game will be used to determine rankings within the tiebreaker.
 - The person closest to the score, whether their entered score is over or under the correct score, will receive higher ranking within the tiebreaker.

- b. If there is still a tie after the total (overall combined) score for the Monday night game is applied, guests will receive their rankings based on who entered their weekly selections at the Promotional Kiosk first (at the earlier date/time). Date and time stamps will be printed on each kiosk voucher.
 - c. If there is still a tie after the date and time stamps have been applied, the guest with the lowest Patron ID will be named the winner of the tie.
 - d. If the Monday night game is postponed, the tiebreaking score will come from the Sunday night prime time game.
 - e. If there is a tie in the end of regular season winner list, the tied participants' first week submittal times will be cross-referenced. Guests' rankings will be determined by the date/time order in which they submitted their week one selections.
9. The Pro League Pick N' Win promotion excludes Thursday and Saturday football games.
10. Any postponed game will count as an automatic win for the participant for the game's originally scheduled week.
- a. The postponed game will not count for the week that it is rescheduled.
 - b. If the Monday night game gets postponed, the tiebreaking score will come from the Sunday night prime time game.
